

100W 10-Panel Folding Solar Chargers

100Watt

Folding Solar Panel

Model No.: MS-SC100W10

This product is a multifunctional solar charger, which can charge for your all kinds of laptops, Foldable design, graceful appearance, delicate and convenience to take, fashionable elegance. USB interface output can be suitable for most digital products, especially it is suitable for anywhere can obtain sunshine, with high-efficient charging. It uses convenient and safe, environmental protection, and energy saving. It is good for promotion, sales, gifts, etc.

Specifications:

Solar Panel:100W

Peak Power:100W

Peak Voltage:18V and 5V

Peak Current :5.56A and 2.1A

High efficiency: > 17%

Output interface: DC5521mm and USB 2.0

Extend Size: 1720*840*4mm/67.72*33.08*0.158inch

Foldable Size: 420*290*70mm/16.54*11.42*2.76inch

Weight: 5.8KG

Color: any color (Green/pink/black, etc.)

Color of cloth material, we can adjust to your specific requirements

Materials:

Solar panel: PET+EVA+Solar cell+PCB laminated

Fabric (waterproof): PVC 600D

Features:

with dual voltage controller, charge for laptop and phone directly

Packing:

Clamshell in Cartons

Giftbox packing: 440*300*80MM

Carton:45* 31 * 33cm

4PCS/Carton

Gross Weight: 24KG/Carton

ACCESSORIES:

Cable: DC5521 male to DC Female cable (matched for dual voltage output);

10 pcs of laptop connectors: Lenovo, HP, Dell, Samsung, Haier, Asus, SONI, Ipad, Acer, IBM,
Toshiba (matched for DC5521/SAE/Dual voltage output)

Cable with crocodile clips(optional)
